FROM THE PRINCIPAL'S DESK

Karimganj College, a seat of higher learning in southern Assam was established in 1946 by some philanthropists, educationists, political and social thinkers and activists of the locality for expanding and spreading higher education in this part of the world. The founder Principal of the college late Pramesh Chandra Bhattacharjee was disciple of Sarvepalli Radhakrishnan. This college has produced many scholars who have attained distinction in national and international arena. These honorable alumni have added glory to the college. Karimganj College is a three stream college and all the three streams impart education in honors and pass courses. Faculties of the college are actively associated in research work. Many faculties have to their credit large number of Minor and Major Research Project. College gives students the opportunity to excel in extracurricular and co-curricular activities by enrolling themselves in NCC, NSS, etc. Students are given immense scope to shine in sports, cultural activities by organizing annual sports and social week. Students can also participate in cricket, football and volleyball competition organized by the District Sports Association, Karimganj and Assam University, Silchar. In indoor games also students get the opportunity to prove their talents and proficiency. In order to instill the spirit of parliamentary democracy every year students elect their representatives and form the Students Union. The members of Students Union highlight and place the demands of the students before the Principal for finding solution to those problems. This is how they acquaint themselves with the Parliamentary Democracy system that is in existence in the country. Act of indiscipline by the students are dealt in strictly and severely by the Discipline Committee constituted by the Governing Body of the College.

This college a place of advanced scholarship has to its glory much success stories. Last NAAC certification exhibits volume of balanced intellectual voyage of the college. I welcome the students who are desirous of getting themselves admitted in this premiere institution. You have enormous opportunity to prove your curricular and co-curricular talent in the days to come. The college will extend all possible co-operations in helping out the student in their quest for attaining outstanding carrier.

PRE AMBLE

*An educational home for all communities, an El Dorado
opening its gate bidding all enter and possess*

Established in 1946 by a galaxy of dedicated nationalists, philanthropists and academics with a pious vision to disseminate Higher Education in this remote part of the country, Karimganj College Completes 75 year in June 2021. We sincerely recollect with reverence the selfless, dedicated service rendered by the chief architects of this institution Late Md. Eahya Khan Choudhury, the then SDO, Karimganj, Late Rabindra Nath Aditya, a nationalist and one time chief whip of Congress Party in Assam Legislative Assembly and Late Pramesh Chandra Bhattacharyya, the scholar-administrator for laying down a strong foundation of noble vision as President, Secretary and Principal of the college respectively. Donations from generous donors in large and small denominations poured in, so that this institution could be gradually given a full-fledged form to cater to the needs of higher education irrespective of caste, creed, sex, religion and language.

The founding fathers of the college were far ahead of their times in as much as they envisaged in 1946, an institution that would teach not only the conventional subjects but also technology and crafts. The college introduced Science and Arts subjects like Bengali, English, Philosophy, Physics, Chemistry etc. back in 1940s. The venture received good wishes from Gopinath Bordoloi, the then Prime Minister of Assam (1946), Triguna Sen, Ex-education minister, Govt. of India (1951), Prof. Meghnad Saha (1954), S. Fazal Ali, his excellency Governor of Assam (1958) and many others.

The college survived the trauma of partition and also onslaught of many baffling problems in the post-partition period but nothing could arrest its striding move towards imparting nourishment to generations of students many of whom now hold positions of pride in several places of India and abroad.

The college was originally affiliated to the Calcutta University, then to the Gauhati University and in 1994, when the Assam University was established, it became affiliated to the later. Today, it is one of the leading colleges under Assam University imparting education in all three faculties

- Arts, Science and Commerce. At present, the college offers Honours courses in 20 subjects and Pass courses in 21 subjects. The Commerce faculty of the college was introduced in 1950s and with the help of well equipped teachers rapidly became an equally prestigious part of the institution. On the occasion of the Golden Jubilee celebration of the college in 1996, it was decided to impart Computer Education to enterprising students to help them build up challenging career. Accordingly, the Karimganj College Computer Centre started offering courses from the session 1999-2000. The college has introduced compulsory general Computer course for TDC students spreading over three academic session based on 'O' - level curriculum of DOEACC from the Session 2005-06. It is a great pleasure to mention that the college has been selected as one of the two IT-institutes of Assam under NEC programme and accordingly, the college is offering two degree programmes viz. **B.Sc.** (Computer Science) and **BCA** affiliated to Assam University from the academic Session 2005-06.

The College has also introduced B.Sc. Honours Programme in Biotechnology with effect from the session 2006-07. In the session 2010-11, the college has introduced Ecology and Environmental Science as one of its TDC Pass programme.

It is also a great pleasure to mention that Department of Science and Technology (DST-FIST) Govt. of India has provided financial assistance in the session 2009-10 for upgrading the infrastructural facilities for Science Education in the college. The Department of Biotechnology (DBT), Govt. of India also selected the college in the session 2010-11 under STAR COLLEGE Scheme for improvement of teaching learning process of its Science departments. A Biotechnology Hub has been established in the college during the session 2010-11 under the sponsorship of Department of Biotechnology, Govt. of India to make available modern research facilities in Life Sciences and Biotechnology. In 2015, the hub has been upgraded to advanced status by DBT.

In the recent years the college has attracted many major and minor research projects like UGC - MRP, DST - first track, DBT twinning, DBT - RGYI etc. Indeed these investments through development of human resource, infrastructure and relevant investigations will foster new vistas for growth of the college and society.

The college has been assessed and accredited as 'B⁺'- college by NAAC in the year 2004 and reaccredited as B. Grade college with CGPA 2.78 (in 4 point scale) by NAAC in the year 2010.

The college welcomes the new generation of students who enter this institution with hearts vibrating with hopes and aspirations. Let every student of this institution develop intellectual and moral power in a healthy environment and strengthen himself / herself physically, mentally and spiritually, so that everyone turns out at the end of education career, a useful citizen with greater social involvement. Let us recollect the words of Annie Besant, "the destiny of a Nation is folded within its budding youths as is the flower within the close embrace of petals."

- Re-evaluation of answer scripts of theory papers of any ESE may be allowed by the University only on the condition that the re-evaluated result shall be accepted by the student, even if the marks/ grade decreases after re-evaluation. A new Grade Card containing re-evaluated marks/ grades cancelling the earlier one shall be issued by the University.
- Interested students may apply for re-evaluation of answer-scripts of any ESE In the prescribed format along with requisite fees and original copy of the Grade Card within 15 (fifteen) days from the date of publication of results of the concerned ESE to the COE through the Principal of college.

GRADE CARDS/ DEGREE CERTIFICATES:

- Henceforth, under FYUG, the University shall issue printed GRADE CARDS Instead of Marks Sheets as per the existing Rules of issuance of Marks Sheets after the declaration of the result of each End Semester Examination (ESE) to each candidate, who have applied for the concerned ESE— except “RA” and “expelled” candidates.

- GRADE CARD will display the course details, marks secured, calculated value of Credit Points, along with percentage of marks, SGPA of each semester and overall percentage of marks with CGPA earned based on overall six semesters.
- The University shall issue as per the existing Rules the printed Degree Certificate only to those registered students of the University who have successfully completed the FYUG/TDC (CBCS) programme of study.
- The University may issue the Official Transcript containing Marks secured, Credit Points, SGPA, CGPA scored by candidates only to those students who have successfully completed the FYUG/TDC (CBCS) programme of study under the University and have applied for the same in the prescribed form along with requisite fees. Procedure to obtain the Official Transcript shall be governed by the Rules/ Regulations/Guidelines of AUS for issuance of the same.

MERIT POSITIONS /RANKING / GOLD MEDALIST:

- Determining Merit Positions/ Ranking/ Gold Medalist shall follow the Rules/ Regulations/ Guidelines of Assam University for the same and shall be awarded accordingly.
- The following category of students shall **NOT** be included in the list of Candidates for the Award of Merit Positions/ Ranking/ Gold Medalist —
 1. who have appeared In any ESE with Arrear Paper/s including those who have to appear in any ESE with Arrears Papers.
 2. who have passed the TDC (CBCS) with “RA” in any ESE and or;
 3. who have been EXPELLED in any ESE and or;
 4. who have appeared in any paper under Betterment Examination.

UNIT TEST :

- Maximum Marks:
Courses with only Theory paper =20 (twenty);
Courses with both Theory & Practical papers =14 (fourteen)
- There shall be two **Unit Tests** per semester for each and every **theory paper excluding Ability Enhancement Compulsory Course (AECC) and Skill Enhancement Course (SEC)** and, dates of such tests shall be notified by the Controller of Examinations. The highest mark scored by a student out of two Unit Tests shall be awarded to the student as the marks under Unit Test of CCA.
- There shall be No Unit Test for practical paper.
- A student who has failed to secure minimum pass marks in CCA of a paper shall NOT be allowed to appear in the concerned paper of the End Semester Examination (ESE). However, such a student may appear in the subsequent similar semester (odd/even) as an Arrear Paper with the condition that :
 1. He/she will appear in the Unit Test/s of the concerned paper along with the regular students and to secure minimum pass marks;
 2. He/she will appear with such number of Arrear Papers in similar ESE (odd/even).

CLASS ATTENDANCE:

- Each student shall have to attend a minimum of 75% Lectures/ Tutorials/ Practical classes In each paper of all the courses as per the recommended Course Structure of the concerned programme of study.
- Class Attendance shall be calculated based on actual number of classes held during each semester in each course/ paper. Number of decimal be rounded off to next higher number (e.g., 74.01% be rounded off to 75%).
- Only the students with 75% and above of attendance In any paper (excluding “Additional GE Course, If any) of the concerned semester shall be allowed to appear in the concerned paper in that End Semester Examination (ESE).

- However, a student with **less than 75% of attendance in any paper** (excluding any paper of Additional GE Course, if any) of the concerned semester shall **NOT** be allowed to appear in the concerned paper of that ESE but may be allowed to get admission in the immediate next higher semester. However, such a student may appear in the subsequent similar ESE (odd/even) in the concerned paper as an Arrear Paper and, marks to be awarded under CCA for each paper shall be the marks previously secured by the student in the concerned paper.

Note: Marks under CCA shall be carried forward **only if** the student secures pass mark in the Unit Test of the concerned paper else he/ she shall have to appear in Unit Test in the concerned paper along with the regular students in the concerned semester to secure minimum pass mark allotted for CCA of the concerned paper.

- Distribution of marks for **Class Attendance**

Attendance 80% to below 90%	:	03 marks
Attendance 75% to below 80%	:	02 marks
Attendance below 75%	:	00 marks
*For each practical course, marks for attendance Be awarded in End Semester Practical Examination.		

ADMISSION TO FYUG in Science (B.Sc.) First Semester

Eligibility Criteria :

1. Passed Higher Secondary Final Examination or its equivalent.
2. A student can only choose a subject as an Elective subject if he/she has studied that subject at H.S. level. However a student can choose Ecology and Environmental Science, Geology, Computer Science, Statistics as an elective subject if he/she has passed H.S. Final Examination with Biology, Chemistry, Physics, Computer Science and Application and Mathematics respectively.
3. For getting Honours in Science subjects, a student should secure minimum percentage of marks in H.S. Final Examination as mentioned below :-

SUBJECT	: % OF MARKS IN QUALIFYING EXAMINATION
Botany	: 60% in Biology and 60% in aggregate
Physics	: 50 % in Physics and pass mark in Mathematics
Chemistry	: On merit
Zoology	: 55% in Biology
Maths	: 45% in Mathematics
Computer Science	: On merit
BCA	: On merit
Biotechnology	: 60% in Biology and 60% in aggregate

PROFESSIONAL (JOB-ORIENTED) PROGRAMMES

a) NIELIT (DOEACC) 'O' Level (IT)

NIELIT (DOEACC) is the brainchild of the All India Council for Technical Education (AICTE) and functions under the Department of Information Technology, Ministry of Communication and Information Technology, Govt. of India. The syllabus and examinations for the courses are developed by an expert panel drawn from academic, industry and the government. The NIELIT (DOEACC) „O“ level course is a foundation (Junior programmer) level course, which provides the students insight into the operational and programming aspects of Computers. This course structure has been designed for the students who are beginners in Computer world. They can be groomed as Assistant Programmer and get a break in the Computer industry. It comprises of four papers and a project. The course leads to NIELIT (DOEACC) „O“ level certification. Course duration is one year and requires 480 contact hours. At Karimganj College Computer Centre, this course is taught and it requires attending theory / practical classes for two to three hours a day. The eligibility criteria for getting admission in to NIELIT (DOEACC) „O“ Level Course is **10+2 pass Certificate or ITI Certificate (one year) after class 10.**

b) DOEACC CCBioInfo Programme

In an effort to popularise Bioinformatics as a subject and as a career option, the college has introduced a certificate course in collaboration with DOEACC Centre, Guwahati. This course intends to provide the students with a fundamental knowledge of Bioinformatics and prepare them for further studies in this subject. The Certification **Course in Bioinformatics (CCBioInfo)** is designed and developed by DOEACC Centre, Guwahati for imparting a fundamental knowledge in Bioinformatics to students undergoing graduation. This will assist in the generation of manpower for the emerging Bioinformatics sector. The syllabus of the course covers the necessary relevant topics and will be completed in 450 contact hours in a span of 1 (one) year. Dr. P. K. Nath of the Department of Botany and Biotechnology is the course coordinator of the programme.

Students willing to take admission to these courses are to collect a separate prospectus from the respective department.

SOME SPECIAL FEATURES IN TEACHING-LEARNING METHODOLOGY

Remedial / bridge courses : In teaching-learning process, one important feature of the college is introduction of remedial / bridge courses to bridge the knowledge gap of incoming TDC Honours students. These courses are designed by the experienced teachers to enable the students particularly from rural areas, weaker section of the society and other states to cope with the new programme. The college also provides remedial coaching for SC / ST / OBC (non creamy layer), minority and economically deprived students from the grant received from UGC during XIIth plan period.

Tutorial Classes : The College offers tutorial classes for the Honours students and H.S. (Science) students. These classes begin after autumn recess. Some science departments arrange tutorial classes for all TDC students of the respective departments.

Mentor System : There is a provision for mentoring of Honours students. For proper functioning of this system, the students are divided into groups and each group is attached under a teacher mentor who looks after them and provides guidance for their academic attainments.

Students' Aid Fund : The college maintains an aid fund which is developed from students' contribution. The fund is used judiciously by the college authority to help economically backward and needy students to generate their tuition fees.

Student Group Insurance Scheme : The college provides compulsory Group Insurance (LICI) facility for Degree Students.

DISCIPLINE

1. College gives a great emphasis on discipline and character building of students and they are expected to maintain a high standard of discipline. The students are subjected to be under rules and regulations of the College prescribed by the College Authority from time to time. Violation of rules, unsatisfactory academic progress, irregular attendance to class, showing discourtesy to the teachers and staff members in any form, recourse to unfair means in examination etc. are some of the offences which may make students liable to disciplinary action like termination of scholarship, forced transfer and even expulsion from the college.
2. **Dress Code :- To enforce discipline among the students, the College authority has introduced College Uniform for the Students from the academic Session 2003-2004. The students are to wear Uniform compulsorily as per following specification.**

SOME HELP LINES

Anti Ragging Squad :

Ragging in any form is banned in Karimganj College. There is an anti ragging squad to prohibit such offences. Vice-Principal (Officiating), is the convenor of anti ragging squad. The squad can make surprise raids in hostels and other places in the campus. They can conduct any spot enquiry and submit their report to the Anti ragging Committee for action upon the person / persons who have committed such offences.

Any student can contact any teacher member of the anti ragging squad named below to inform about conduct of ragging in the campus. All members of the students' union are also members of the anti ragging squad. Some important help lines are :
